POW Wow

(verb) To execute speedy interior decoration with maximum wow factor.

The Philosophy:

This express service is an ideal, cost effective design solution for those wanting to create a chic & polished space without the necessity for a full-scale interior design service. You will enjoy a short consultation to establish the desired style for your living or work space/s, followed by a shopping excursion with expert supervision. The result = the ultimate stylish interior that reflects your taste and budget!

The Pow Wow Mini - \$365 incl GST

- 30 minute consultation
- 2 hours shopping
- Bottle of champagne

The Pow Wow - \$485 incl GST

- 30 minute consultation
- 4 hours shopping
- Bottle of champagne

* The time slots above are designed as an express service. If you would like more time allocated for additional work it will be invoiced at a rate of \$95/hr.

* Pricing is for service only and does not include cost of items required to carry out service.
